I agree to provide performance feedback within 45 days of receipt of this system unless a request is made to Polar to extend this time. I agree to either authorize payment for this system at or before the end of the 45 days or return the system to Polar. Special extensions can be requested from Polar Products. I understand failure to comply with these conditions will result in the automatic billing for the system at 60 days on the submitted P.O. and payment will be due.
